### CLCAC SETS PUBLIC INFORMATIONAL MEETING

The Colbert Landfill Contaminate Area Committee (CLCAC) will a public informational meeting at 7:30 p.m. on Wednesday, February 3, 1993 at the Colbert Elementary School, E. 4526 Green Bluff Road. The meeting will introduce Dan Burgard of Cascade Earth Sciences (CES), who is the technical assistant retained by the CLCAC. Mr. Burgard will give his comments of a preliminary cursory review of the Landau & Assoc. engineering report of the remedial action for the Colbert landfill. Representatives from Spokane County, Washington Department of Ecology, and the Environmental Protection Agency are expected to be available.

Cascade Earth Sciences has been retained by the CLCAC under terms of the committee's grant from Washington Department of Ecology under the Model Toxics Control Act to review, analyze, and interpret documents about the remedial actions taken at the landfill site by Spokane County and to share that information with the public.
